

Dear partner,

With this letter we would like to inform you about the traffic situation at our industrial park (Greenparc) in Bleiswijk. It is not permitted for trucks to park on the roads around Royal Lemkes (Hollandweg, Klappolder).

Hereby we provide you with the necessary information concerning the registration and loading process and the new report location for the drivers which can be shared internally with your staff and sub-contractors.

- Annex 1, Instruction and map for drivers (A4 size handouts for drivers)

We ask you to treat and to share this information with high importance to all staff who will be involved in this process.

All trucks must arrive and report within the agreed time slots for loading. Collection outside of the agreed time slots means delays and will disrupt our operational process. All trucks that arrive earlier than agreed and /or park shall be directed to leave and removed from Greenparc premises.

Start loading according to registration procedure and time slots/ waves, **Week 10, Monday 08-03-2021**

Please note that the Dutch road traffic regulations are applicable on the Greenparc industrial site. Traffic violations can result in a fine and are at the risk of the driver / carrier.

This is a common interest and through these measures and your cooperation, we are confident that no traffic problems will arise and we will create an efficient flow to load your trailers.

If you have any questions, please contact our transport department on the usual e-mail and phone number.

Thank you for your understanding and cooperation!

Kind regards,

Randy van Zelst  
Transport Teamleader

# Driver reporting and dock number assignment

---

- Follow signs 'Report Loading Royal Lemkes / ASH - (Agri Service & Handling)'
- **Always** first report to reporting unit, (ASH and Royal Lemkes)
- Register with loading and/or license plate number
- Warehouse staff will provide dock number to driver
- Driver shall directly drive to dock number according to the routing map. (One-way direction)
- Put trailer on the loading dock number and start loading

## House rules:

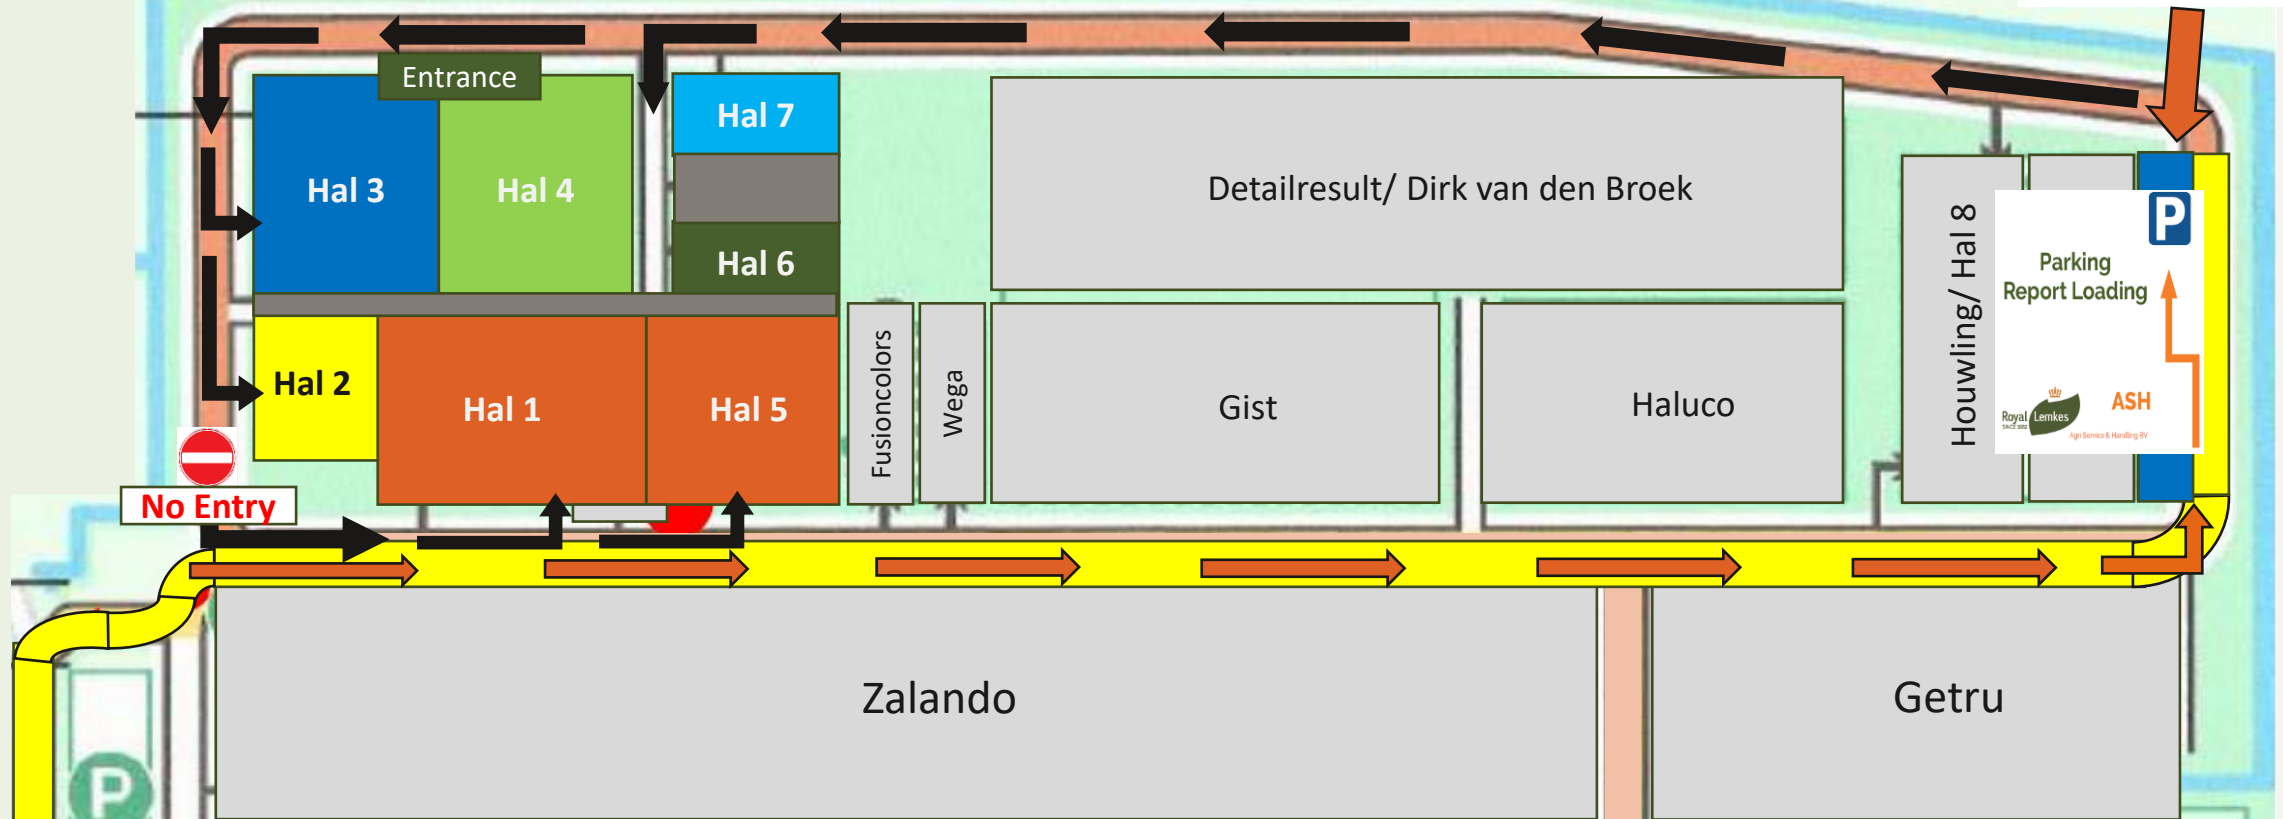

- Drivers must **always** follow the routing (One-way direction)
- Always follow Royal Lemkes/ASH staff instructions
- If drivers report without a loading and/or license plate number they will not be loaded and send away
- No regular parking
- No overnight parking
